Globus Pluscard Terms and Conditions

1. Purpose

Magazine zum Globus AG (hereinafter "Globus") provides you with a Pluscard (hereinafter "Pluscard") free of charge in order to offer you discounts and other benefits. The Pluscard may be provided in the form of a card and/or an app. This contract is concluded between you and Globus. The following agreements are made:

2. Bonus programme

Your Pluscard automatically entitles you to participate free of charge in the Globus bonus programme. You benefit from discounts and other advantages such as special offers exclusively for Pluscard holders.

3. Membership in the SAVOIR VIVRE Club

With your Pluscard you automatically become a member of the SAVOIR VIVRE Club free of charge. The aim of the SAVOIR VIVRE Club is to promote and support non-profit and charitable efforts, especially in the areas of Beauty, Fashion, Food and Living, but also in the social sphere. For further information about membership of the SAVOIR VIVRE Club, please see globus.ch/savoirvivre.

4. Validity and handling of your Pluscard

The Pluscard may have an expiration date. If this is the case, it shall be valid until the expiry of the date impressed on the card and will be renewed automatically. The new Pluscard must be signed immediately after receipt; the old one must be destroyed immediately. Each Pluscard is personal, non-transferable and only valid with your signature. The Pluscard shall remain the property of Globus at all times and may be reclaimed without explanation.

5. Pluscard with payment function

5.1 Payment function

Besides allowing you to participate in the bonus programme, the Pluscard also enables cashless shopping at Globus via the payment function. You must explicitly apply for the Pluscard with payment function. Your application may be refused without explanation. This Contract is concluded for the payment function between you and Globus.

The Pluscard with payment function is free of charge (no annual fee) and entitles you to make cashless payments. The corresponding purchases of goods and services as well as the resulting amounts receivable shall be deemed to have been approved by you:

- when you sign the transaction receipt, or
- when you state your name, the card number and any expiry date, in particular in the case of distance transactions such as telephone, mail-order and online purchases, or
- when you provide any other method of authentication such as an official identity card, fingerprint, password or PIN, at the discretion of the issuer.

5.2 Additional Pluscards

You can order additional cards with your personal Pluscard number for persons living with you in the same household. As the main card holder you shall also be liable without limitation for all liabilities that arise from usage of the additional card. You shall be obligated to ensure that the additional card holder complies with the present contractual terms and conditions. Additional cards can have the same digital access to Pluscard as your own Pluscard.

5.3 Creditworthiness check

For the payment function, your creditworthiness will be checked individually based on your statements about your level of income. You authorise Globus to obtain all the information needed to review your application and perform this Contract (e.g. consumer credit already registered, personal data, solvency and other obligations) from public authorities, private bodies and credit agencies as well as from the Central Office for Credit Information (hereinafter "ZEK") and the Information Office for Consumer Credit (hereinafter "IKO").

You acknowledge and accept that this Contract will be reported to the IKO in accordance with the Consumer Credit Act. In addition, you authorise Globus to report this Contract to the ZEK, including any outstanding amount, in the case of card blocking, abuse of the card or serious payment arrears. The ZEK is authorised to make such data accessible to other members of the ZEK.

5.4 Credit limit

The maximum credit amount for the Pluscard with payment function is CHF 10 000.– (including any additional cards). A provisional credit limit of CHF 499.–, which may not be exceeded, can be granted to you at any time subject to revocation. Your individual credit limit shall be communicated to you in writing together with a copy of the contract. An adjustment of the credit limit (due to a change in financial circumstances) is possible at any time; any such adjustment shall also be communicated to you in writing. The communicated limit shall be deemed as recognised by you if you do not send notification to the contrary within 10 days.

A short-term exceeding of this limit is possible if the outstanding amount is correspondingly reduced after receipt of the next statement. You may only use the Pluscard if you are capable of making timely payment of the outstanding amounts.

5.5 Billing/accounting

The monthly (collective) statement shall include the claims for the purchases of goods and services. The monthly billing does not give rise to a new claim (no novation effect). Statements that are not objected to within four weeks of the date of issue shall be deemed as recognised by you.

5.6 Payment obligation and conditions

You undertake to make payment of all claims resulting from Pluscard transactions plus any interest and fees. The latter can be found in the fee table below and may be adjusted by the Issuers at any time, particularly in

the event of a change in the cost structure; any such adjustment will be communicated to you in a suitable form (e.g. on the statement).

Annual fee	CHF 0.–
Billing fee	CHF 0.–
Over-the-counter payment fee	CHF 0.–
Reminder fee per reminder	CHF 30.–
Interest rate	0.94% per month (corresponds to an annual interest rate of 12%)
Card loss cover (optional with separate application)	CHF 15.–
Card replacement (not applicable with card loss cover)	CHF 10.–
Address search in the case of returned statements	CHF 30.–
Payment search and rejection in direct debit payment process	CHF 30.–
Copies requested (purchase receipts, invoices, etc.)	Up to six copies free, thereafter CHF 5.– per copy
Collection fees	On a time and material basis

The statements shall be due for payment upon receipt. You shall be charged an annual interest rate of 12% (0.94% per month) on all transaction amounts from the statement date until payment in full. The Issuers may change the annual interest rate at any time, particularly in the case of an adjustment of the maximum interest rate in accordance with the Ordinance relating to the Consumer Credit Act (VKKG). Any such changes shall be communicated to you in a suitable form (e.g. on the statement). You shall be able to choose freely between two payment options:

- settlement of the entire owed amount by the end of the month in which the statement was issued. In this case you will not be charged the interest on the transactions in this billing month.
- monthly payment of at least 10% of the last statement amount (rounded up) to the nearest CHF 10.– by the end of the current month. If the statement amount is less than CHF 500.–, the minimum payment amount shall be CHF 50.–.

You shall be in default without the need for a reminder if payments are not made as agreed. In this case you shall owe interest and the reminder fees according to the fee table as well as compensation for all other outlays and expenses that arise in connection with the collection of overdue claims.

6. Liability and loss of the Pluscard

Any loss, theft or abuse of your Pluscard must be reported immediately by phone on +41 44 504 93 33. Outside office hours, you must notify the Globus store Zurich Bahnhofstrasse on +41 58 578 14 71. You are fully liable for every use of your Pluscard up to the time of the loss notification.

7. Changes of address

Changes of name and/or address must be reported to Globus Pluscard Service, Lintheschergasse 7, 8001 Zurich, within 14 days. Until the notification of the new address, correspondence sent to the last known address shall be deemed to have been validly delivered. In the case of a failure to report a new address, the costs of searching for an address shall be charged in accordance with the fee table.

8. Handling of data

You hereby consent to the processing of past and future data with respect to your person (e.g. name, address, date of birth, gender, email address, phone number) and your activities (e.g. information about payment and order history or relating to the use of your apps or visits to your websites) The data shall be used for the purpose of providing the requested services and developing better services, for supplying and selling goods, checking your identity and credit rating, for risk management, marketing and internal statistics as well as for analytical purposes, in particular for shopping basket analyses. The Issuers may share the data with other companies in the Migros Group where they can use such for the purposes described herein.

The Globus Data Privacy Notice, which can be accessed online at globus.ch/datenschutz, forms an integral part of these Terms and Conditions of Participation.

9. Engagement of third parties

Globus shall be authorised to engage third parties for the handling of all services related to the contractual relationship in full or in part. You authorise Globus to place the data required for the fulfilment of the assigned tasks at the disposal of such service providers. The service providers shall be contractually obligated to comply with Swiss data protection legislation.

10. Rescission of the contract, blocking of card

This contract may be terminated at any time by each party without providing reasons and without giving advance notice. A cancellation of the Pluscard with payment function results in all outstanding amounts becoming due for payment immediately on receipt of the statement. In the case of termination of the Pluscard, any additional cards shall be deemed to be terminated as well. Globus retains the right to block, retract or limit the use of your Pluscard and any additional cards at any time without stating reasons.

11. Changes to these Terms and Conditions of Participation

Globus reserves the right to make changes and improvements to the Pluscard programme or to terminate the programme at any time. The current Terms and Conditions of Participation are provided online at globus.ch/conditions-pluscard. Globus will notify you of such changes in an appropriate form (e.g. on the statement).

12. Applicable law

This contract shall be subject to Swiss law.
